

## Flectores de transmisión MEYLE-ORIGINAL: alta cobertura de vehículos, calidad convincente.

Los flectores de transmisión MEYLE-ORIGINAL garantizan propiedades óptimas de amortiguación y elasticidad. Los distintos componentes, a saber, la goma, el tejido y los manguitos de acero están siempre perfectamente armonizados para el vehículo en cuestión:

- Tejido de fibras sintéticas sofisticadas
- Bobinados sometibles a altos esfuerzos
- Mezclas de goma resistentes a la intemperie y a temperaturas extremas

75 flectores de transmisión MEYLE-ORIGINAL para 3.343 modelos están siempre a disposición. Los kits de reparación MEYLE cubren en parte diversos modelos.

Por eso, en algunos casos no se necesita todo el material de montaje añadido. El nuevo flector de transmisión MEYLE-ORIGINAL para modelos BMW puede ser pedido con los siguientes números de artículo:

Nº MEYLE: 314 152 1012, núm. corto: MPJ0098  
(pieza suelta)

Nº MEYLE: 314 152 1112, núm. corto: MPJ0099  
(kit delante)

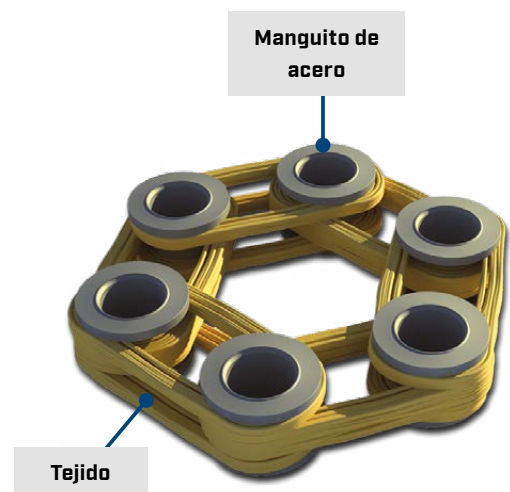

Nº MEYLE: 314 152 1312, núm. corto: MPJ0100  
(kit atrás)

Las páginas siguientes muestran una vista de conjunto del surtido de flectores de transmisión MEYLE-ORIGINAL.

**Nuevo flector de transmisión  
MEYLE-ORIGINAL adecuado para  
BMW 1 | 2 | 3 | 4 | 5 | 6 | 7 | Z4**

Nº MEYLE: 014 152 0004  
Núm. corto: MPJ0003
